T-shaped Streamline Design

Stainless Steel Buckle

Tape size diagran
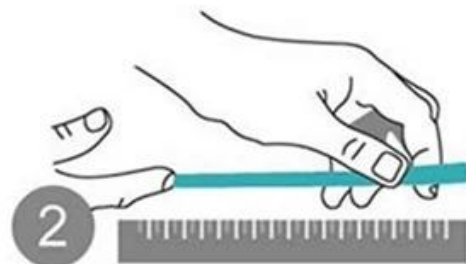

Fits most wrists 5.5-7.9inch/140-200 mm

FITS UP TO

5.5-7.9inch(14-20cm)wrist

1

Wrap the rope to your wrist tight and then make a mark on it.

2

Measure the rope length from zero scale to the marked position with a ruler.

* Pure manual measurement, if there is any error, please forgive me.

How to Install
The following figure

① Press the raised button.

② Slide the tape onto the track of the watch and slide in the direction of the arrow (Note: Slide without loosening the button)

③ When you hear the click, it means that the strap has been buckled with the dial, so you can use it safely.
