表带正面展示

The image displays five belts arranged diagonally on a light brown surface. Each belt features a different camouflage pattern: the top belt has orange, green, and black; the second has blue, green, and black; the third has yellow, green, and black; the fourth has white, green, and black; and the bottom belt has olive green, yellow, and black. All belts are equipped with a stainless steel oil pressure buckle, which consists of a polished metal frame and a rectangular plastic cover in a color matching the belt's pattern. The buckles are shown in a row, highlighting their uniform design across the different belt styles.
