***An OEM factory of watch straps**

Shenzhen Climber Technology Co. Ltd was established in 2011. We are a professional watch strap OEM factory audited by SGS. Integrating design, manufacturing and sales, we have 9 years' manufacturing experience and have had attended Global Sources trade shows for 3 years.

***Meeting Various Standards**

Our main products include silicone/leather/nylon/metal watch straps and other watch accessories. All of them are compliant with CE and RoHS standards.

***Professional customization services**

Backed by professional supporting team, we have rich expertise in R&D, OEM production and

marketing. Customized designs, logos and packaging are all accepted.

***Quality-oriented management system**

Our strict quality control team supervises every step from raw material and semi-products to finished products. We also support the third-party inspection before shipping.

We will try our best to provide more creative design, more qualified products and the most reliable services to customers worldwide. For more details, please contact us.
