

Apple Watch Silicone Replacement Strap with Rubber Watch Case

Design □

- Soft Silicone Strap
- With Shock-Proof Protective Case
- Multi-holes for breathable and comfortable

Features □

1. Made from high performance silicone, soft, flexible and friendly to skin
2. Secure: Soft TPU and durable case protects all corners and sides of your watch
3. The highlight of this band is a row of perforations. With the light material, the holes help to reduce some weight. What's more, they improve ventilation and make it a breathable band.
4. For sleek and sporty look, you should not miss this two-tone band to style yourself in a new way!
