

Waterproof Silicon Smart Watch Strap For Xiaomi Band 3 Strap

Design ▯

- Woven Texture Design
- Double Color Design
- With Metal Buckle

Features ▯

1. New woven texture design conforms to the trend and gives you a stylish and atmospheric look
2. It feels smooth, elastic, soft and durable, anti-sweat & waterproof, and can well withstand daily wear and tear
3. The watch band will give you a light and comfortable feel, breathable and not cling to the arm, helping to keep your arms cool.
- 4.No damage to the skin, ideal for sports enthusiasts
